

Our Brands List—products and product lines that donate net retail profit to your NPO

Brand	Description	Who would benefit?
  Eco-friendly Products	From your tires to the dashboard, Autoworks™ High Performance Auto Care line of high-end detailing products. For improved gas mileage and performance, try the new Autoworks™ Fuel Enhancer. Friction Free 3000 is an engine treatment product that increases mileage, decreases emissions & improves engine life.	Anyone who is into taking care of their vehicles, wants to get better mileage, lower emissions and is concerned about the environment.
	Cosmeceutical line of skin care products. Advanced skin therapy that goes beyond masking the signs of aging. Supports skin at the cellular level.	Those concerned about the affects of the environment and aging on their skin.
 Non-toxic / Biodegradable	ClearShield® Maximum Protection and Hydration is a nongreasy, nontoxic invisible barrier. Protects against dirt, grime, grease, poison ivy, poison oak, latex gloves, latex glove powder, anyone working around chemicals, anyone who has to wash their hands a lot. Can be applied to any outer area of the skin and will not wash off; dissipates over 2 to 3 hours. Non-toxic & biodegradable. Comes in trial/travel size also.	Anyone that needs to protect their skin.
 Eco-friendly / Natural	A line of natural, environmentally friendly products that feature biological accelerators called enzymes—natural catalysts that speed up the rate of chemical reaction helping to break down organic matter, emulsify and digest grease, oils, organic wastes and contaminants to improve soil, septic, and pool & spa environments safely.	Those looking for environmentally conscious products for their home, lawns and garden.
 Advanced Nutraceuticals	Isotonix® products offer the fastest and most efficient delivery system of nutraceutical supplements. When used as directed, will provide the precise quantity of nutrients the body needs to receive maximum results.	Formulations for: Vitamins, Minerals, Digestive Enzymes, Antioxidants, Bone Health, Children’s Health, Joint Support, and more ... Available in customized formulations
